

# Advanced Manufacturing Pathway

## MANUFACTURING SECTOR

### Courses available at:

- Math, Science courses
- Advanced courses in Math & Physics
- Engineering courses

### Median salary:

- \$52,000 - Maintenance Tech
- \$40,000 - CNC Machinist
- \$45,000 - Quality Technician
- \$43,000 - Production Operator

### Courses available at:

- Career Center Diploma, Industry Recognized Credentials, College Certificate

### Employment:

- Entry Level

### Median salary:

- \$57,000 - Advanced Mfg Tech & Electro-mechanical Tech
- \$52,000 - Maintenance Tech & Quality Technician
- \$65,000 - Data/ AI Analyst
- \$70,000 - Advanced Semiconductor Tech

### Courses available at:

- 2-year Associate Degree

### Employment:

- 2 years of experience
- 2-5 years of experience for Data/AI Analyst

### Median salary:

- \$62,000 - Manufacturing, Electrical, & Mechanical Engineer
- \$90,000 - Data Scientist/ AI Specialist
- \$85,000 - Assistant Plant Mgr
- \$71,000 - Production Mgr

### Courses available at:

- 4-year Bachelor's Degree

### Employment:

- 2-5 years of experience
- 5-10 years of experience for Assistant Plant Mgr & Production Mgr

### Local Employers:
